

Finca in Arta 403.000 €

Finca jewel in Artá.

This small finca captivates by the charm of the landscape and the unobstructable view to the castle of Artá.

The building needs to be completely restored, for which there is an approved project.

On the finca there is also a centuries old holm oak forest and the building is south facing.

Electricity is available.

Located in a very quiet area, road with good access.
