

House in Son Servera

604.500 €

Large Majorcan house with many possibilities in the centre of Son Servera.

The 229m2 house is in need of a complete renovation.

It consists on the ground floor of an entrance hall, a living-dining room, a spacious kitchen with fireplace and access to the patio, two double bedrooms and a complete bathroom with bathtub.

On the first floor there are three double bedrooms, a bathroom and a laundry room. From the utility room there is access to a terrace. On the same floor there are two large double rooms.

On the first floor there is a spacious room with sea views from the window.

It also has a large garage of 127m2 which has a bathroom with shower and a small patio.

Situated in a quiet area, only a few minutes walking distance to the centre.
